

(4)

Dear Sir

I take the Liberty of introducing to your Notice Gustavus Vasa, the Swede, a very honest, ingenious, and industrious African, who wishes to visit Cambridge. He takes with him a few Histories containing his own Life written by himself, of which he means to dispose to defray his Journey. Would you be so good as to recommend the Sale of a few and you will confer a favour on your already obliged and obed^t Serv^t

N^o. 7. Little Street Tho^s Thomas Clarkson
July: 9. 1789.
